She felt that nothing further was required on their part but she will check with Leonard Killgore, the Senator's Administrative Assistant, when he returns from vacation. 7. (Internal Use Only - LLM) Ken Guenther, Special Assistant to Senator Jacob K. Javits (R., N. Y.), called to inquire as to the bona fides of three individuals [redacted] representing themselves as having direct contact with Peking who are interested in getting U.S. business attendance at the Canton Trade Fair in October. In response to my question, he told me he had already contacted State but had not received a full report, but that he had not contacted Commerce. I told him that on the assumption that they are foreign nationals we would check to see if we had any information and be back in touch.
